## Parts Department

Our highly knowledgeable parts department personnel can assist you in finding the correct part promptly and with ease. We have one of the largest parts inventory and with our fleet of delivery vans we can provide daily delivery. Open: Monday-Friday 7am to 7pm Saturdays 8am to 12pm

## Service Department

With a twelve bay shop operating twelve hours per day, our customers can be confident that they will have minimum downtime. Our commitment to continuous training, our technicians are some of the most skilled in the industry. We offer both Drive-In and Mobile services. Open: Monday-Friday 7am to 7pm

## Truck Sales

Providing customers with the most up to date product information is our goal, this ensures the lowest cost of ownership, safety and value is achieved. Being a valued and trusted business partner is our greatest satisfaction.

## Who We Are:

Berman Freightliner is a full service dealership offering Freightliner trucks, Pre-owned trucks, MAC Trailers, Parts Department and a Service Department that offers both drive-in and mobile services.

The dealership dates back to 1930's selling trucks to the transportation industry, our 80+ year history is founded on the principals of becoming customer focused, quality driven, having a professional image, being financially sound and a culture of encouragement and openness.

Our experienced employees coupled with continuous training is our commitment to providing the highest standard of customer satisfaction. We strive to do the repair correctly the first time, provide support and information promptly and ensure our customers have the most current information on the products we sell. Making sound business decisions made easy.
